(Title III of the National Housing Act, 12 U.S.C. 1716 et seq.)

SEC. 301. DECLARATION OF PURPOSES OF TITLE

12 U.S.C. 1716

The Congress declares that the purposes of this title are to establish secondary market facilities for residential mortgages, to provide that the operations thereof shall be financed by private capital to the maximum extent feasible, and to authorize such facilities to—

- (1) provide stability in the secondary market for residential mortgages;
- (2) respond appropriately to the private capital market;
- (3) provide ongoing assistance to the secondary market for residential mortgages (including activities relating to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return earned on other activities) by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage financing;
- (4) promote access to mortgage credit throughout the Nation (including central cities, rural areas, and underserved areas) by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage financing; and
- (5) manage and liquidate federally owned mortgage portfolios in an orderly manner, with a minimum of adverse effect upon the residential mortgage market and minimum loss to the Federal Government.

SEC. 302. FEDERAL NATIONAL MORTGAGE
ASSOCIATION AND GOVERNMENT NATIONAL MORTGAGE
ASSOCIATION

12 U.S.C. 1717

(a) CREATION; SUCCESSION; PRINCIPAL AND OTHER OFFICES.—

- (1) There is created a body corporate to be known as the “Federal National Mortgage Association”, which shall be in the Department of Housing and Urban Development. The Association shall have succession until dissolved by Act of Congress. It shall maintain its principal office in the District of Columbia and shall be deemed, for purposes of venue in civil actions, to be a resident thereof. Agencies or offices may be established by the Associa-

tion in such other place or places as it may deem necessary or appropriate in the conduct of its business.

(2) On September 1, 1968, the body corporate described in the foregoing paragraph shall cease to exist in that form and is hereby partitioned into two separate and distinct bodies corporate, each of which shall have continuity and corporate succession as a separated portion of the previously existing body corporate, as follows:

(A) One of such separated portions shall be a body corporate without capital stock to be known as Government National Mortgage Association (hereinafter referred to as the “Association”), which shall be in the Department of Housing and Urban Development and which shall retain the assets and liabilities acquired and incurred under sections 305 and 306 prior to such date, including any and all liabilities incurred pursuant to subsection (c) of this section. The Association shall have succession until dissolved by Act of Congress. It shall maintain its principal office in the District of Columbia and shall be deemed, for purposes of venue in civil actions, to be a resident thereof. Agencies or offices may be established by the Association in such other place or places as it may deem necessary or appropriate in the conduct of its business.

(B) The other such separated portion shall be a body corporate to be known as Federal National Mortgage Association (hereinafter referred to as the “corporation”), which shall retain the assets and liabilities acquired and incurred under sections 303 and 304 prior to such date. The corporation shall have succession until dissolved by Act of Congress. It shall maintain its principal office in the District of Columbia or the metropolitan area thereof and shall be deemed, for purposes of jurisdiction and venue in civil actions, to be a District of Columbia corporation.

(3) The partition transaction effected pursuant to the foregoing paragraph constitutes a reorganization within the meaning of section 368(a)(1)(E) of the Internal Revenue Code of 1986; and for the purposes of such Code, no gain or loss is recognized by the previously existing body corporate by reason of the partition, and the basis and holding period of the assets of the corporation immediately following such partition are the same as the basis and holding period of such assets immediately prior to such partition.

(b) PURCHASE AND SALE OF INSURED AND CONVENTIONAL MORTGAGES; TRANSACTIONS IN LOANS AND ADVANCES OF CREDIT.—

(1) For the purposes set forth in section 301 and subject to the limitations and restrictions of this title, each of the bodies corporate named in subsection (a)(2) is authorized, pursuant to commitments or otherwise, to

purchase, service, sell, or otherwise deal in any mortgages which are insured under the National Housing Act or title V of the Housing Act of 1949, or which are insured or guaranteed under the Servicemen's Readjustment Act of 1944 or chapter 37 of title 38, United States Code; and to purchase, service, sell, or otherwise deal in any loans made or guaranteed under part B of title VI of the Public Health Service Act; and the corporation is authorized to lend on the security of any such mortgages and to purchase, sell, or otherwise deal in any securities guaranteed by the Association under section 306(g): *Provided*, That (1) the Association may not purchase any mortgage at a price exceeding 100 per centum of the unpaid principal amount thereof at the time of purchase, with adjustments for interest and any comparable items; (2) the Association may not purchase any mortgage, except a mortgage insured under title V of the Housing Act of 1949, if it is offered by, or covers property held by, a State, territorial, or municipal instrumentality; and (3) the Association may not purchase any mortgage under section 305, except a mortgage insured under section 220 or title VIII or section 203(k), or under title IX with respect to a new community approved under section 1004 thereof, or insured under section 213 and covering property located in an urban renewal area, or a mortgage covering property located in Alaska, Guam, or Hawaii, if the original principal obligation thereof exceeds or exceeded \$55,000 in the case of property upon which is located a dwelling designed principally for a one-family residence; or \$60,000 in the case of a two- or three-family residence; or \$68,750 in the case of a four-family residence; or, in the case of a property containing more than four dwelling units, \$38,000 per dwelling unit (or such higher amount not in excess of \$45,000 per dwelling unit as the Secretary may by regulation specify in any geographical area where the Secretary finds that cost levels so require) for that part of the property attributable to dwelling use. Notwithstanding the provisions of clause (3) of the preceding sentence, the Association may purchase a mortgage under section 305 with an original principal obligation which exceeds the otherwise applicable maximum amount per dwelling unit if the mortgage is insured under section 207(c)(3), 213(b)(2), 220(d)(3)(B)(iii), 221(d)(3)(ii), 221(d)(4)(ii), 231(c)(2), 234(e)(3), or 236. For the purposes of this title, the terms "mortgages" and "home mortgages" shall be inclusive of any mortgages or other loans insured under any of the provisions of the National Housing Act or title V of the Housing Act of 1949.

(2) For the purposes set forth in section 301(a), the corporation is authorized, pursuant to commitments or otherwise, to purchase, service, sell, lend on the security of, or otherwise deal in mortgages which are not insured or guaranteed as provided in paragraph (1) (such mortgages referred to hereinafter as "conventional mortgages"). No such purchase of a conventional mortgage secured by a property comprising one- to four-family dwelling units shall be made if the outstanding principal balance of the mortgage at the time of purchase exceeds 80 per centum of the value of the property securing the mortgage, unless (A) the seller retains a participation

of not less than 10 per centum in the mortgage; (B) for such period and under such circumstances as the corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the corporation in the event that the mortgage is in default; or (C) that portion of the unpaid principal balance of the mortgage which is in excess of such 80 per centum is guaranteed or insured by a qualified insurer as determined by the corporation. The corporation shall not issue a commitment to purchase a conventional mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (A) of such sentence. The corporation may purchase a conventional mortgage which was originated more than one year prior to the purchase date only if the seller is the Federal Deposit Insurance Corporation, the Resolution Trust Corporation, the National Credit Union Administration, or any other seller currently engaged in mortgage lending or investing activities. For the purpose of this section, the term "conventional mortgages" shall include a mortgage, lien, or other security interest on the stock or membership certificate issued to a tenant-stockholder or resident-member of a cooperative housing corporation, as defined in section 216 of the Internal Revenue Code of 1986, and on the proprietary lease, occupancy agreement or right of tenancy in the dwelling unit of the tenant-stockholder or resident-member in such cooperative housing corporation. The corporation shall establish limitations governing the maximum original principal obligation of conventional mortgages that are purchased by it; in any case in which the corporation purchases a participation interest in such a mortgage, the limitation shall be calculated with respect to the total original principal obligation of the mortgage and not merely with respect to the interest purchased by the corporation. Such limitations shall not exceed \$417,000 for a mortgage secured by a single-family residence, \$533,850 for a mortgage secured by a 2-family residence, \$645,300 for a mortgage secured by a 3-family residence, and \$801,950 for a mortgage secured by a 4-family residence, except that such maximum limitations shall be adjusted effective January 1 of each year beginning after the effective date of the Federal Housing Finance Regulatory Reform Act of 2008, subject to the limitations in this paragraph. Each adjustment shall be made by adding to each such amount (as it may have been previously adjusted) a percentage thereof equal to the percentage increase, during the most recent 12-month or 4-quarter period ending before the time of determining such annual adjustment, in the housing price index maintained by the Director of the Federal Housing Finance Agency) pursuant to section 1322 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (12 U.S.C. 4541)). If the change in such house price index during the most recent 12-month or 4-quarter period ending before the time of determining such annual adjustment is a decrease, then no adjustment shall be made for the next year, and the next adjustment shall take into account prior declines in the house price index, so that any adjustment shall reflect the net change in the house price index since the last adjustment. Declines in the house price index

shall be accumulated and then reduce increases until subsequent increases exceed prior declines. The foregoing limitations may be increased by not to exceed 50 per centum with respect to properties located in Alaska, Guam, Hawaii, and the Virgin Islands. Such foregoing limitations shall also be increased, with respect to properties of a particular size located in any area for which 115 percent of the median house price for such size residence exceeds the foregoing limitation for such size residence, to the lesser of 150 percent of such limitation for such size residence or the

amount that is equal to 115 percent of the median house price in such area for such size residence.

(3) The corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in loans or advances of credit for the purchase and installation of home improvements, including energy conserving improvements or solar energy systems described in the last paragraph of section 2(a) of the National Housing Act and residential energy conservation measures as described in section 210(11) of the National Energy Conservation Policy Act and financed by a public utility in accordance with the requirements of title II of such Act. To be eligible for purchase, any such loan or advance of credit (other than a loan or advance made with respect to energy conserving improvements or solar energy systems or residential energy conservation measures) not insured under title I of the National Housing Act shall be secured by a lien against the property to be improved.

(4) The corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in loans or advances of credit secured by mortgages or other liens against manufactured homes.

(5)(A) The corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in (i) conventional mortgages that are secured by a subordinate lien against a one- to four-family residence that is the principal residence of the mortgagor; and (ii) conventional mortgages that are secured by a subordinate lien against a property comprising five or more family dwelling units. If the corporation, pursuant to paragraphs (1) through (4), shall have purchased, serviced, sold, or otherwise dealt with any other outstanding mortgage secured by the same residence, the aggregate original amount of such other mortgage and the mortgage authorized to be purchased, serviced, sold, or otherwise dealt with under this paragraph shall not exceed the applicable limitation determined under paragraph (2).

(B) The corporation shall establish limitations governing the maximum original principal obligation of conventional mortgages described in subparagraph (A). In any case in which the corporation purchases a participation interest in such a mortgage, the limitation shall be

calculated with respect to the total original principal obligation of such mortgage described in subparagraph (A) and not merely with respect to the interest purchased by the corporation. Such limitations shall not exceed (i) with respect to mortgages described in subparagraph (A)(i), 50 per centum of the single-family residence mortgage limitation determined under paragraph (2); and (ii) with respect to mortgages described in subparagraph (A)(ii), the applicable limitation determined under paragraph (2).

(C) No subordinate mortgage against a one- to four-family residence shall be purchased by the corporation if the total outstanding indebtedness secured by the property as a result of such mortgage exceeds 80 per centum of the value of such property unless (i) that portion of such total outstanding indebtedness that exceeds such 80 per centum is guaranteed or insured by a qualified insurer as determined by the corporation; (ii) the seller retains a participation of not less than 10 per centum in the mortgage; or (iii) for such period and under such circumstances as the corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the corporation in the event that the mortgage is in default. The corporation shall not issue a commitment to purchase a subordinate mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (ii) of such sentence.

(6) The corporation may not implement any new program (as such term is defined in section 1303 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992) before obtaining the approval of the Secretary under section 1322 of such Act.

(c) ADMINISTRATION OF TRUSTS; OBLIGATIONS OF DEPARTMENTS AND AGENCIES OF THE UNITED STATES; EXEMPTION OF INTEREST INCOME FROM TAXATION; AUTHORIZATION OF APPROPRIATIONS FOR DIFFERENTIAL REIMBURSEMENTS.—

(1) Notwithstanding any other provision of this Act or of any other law, the Association is authorized under section 306 to create, accept, execute, and otherwise administer in all respects such trusts, receiverships, conservatorships, liquidating or other agencies, or other fiduciary and representative undertakings and activities, hereinafter in this subsection called “trusts”, as might be appropriate for financing purposes; and in relation thereto the Association may acquire, hold and manage, dispose of, and otherwise deal in any mortgages or other types of obligations in which any department or agency of the United States listed in paragraph (2) of this subsection may have a financial interest. The Association may join in any such undertakings and activities, hereinafter in this subsection called “trusts”; notwithstanding that it is also serving in a fiduciary or representative capacity; and is authorized to guarantee any participations or other instruments, whether evidence of property rights or debt, issued for such financing purposes. Participations or other instruments issued by the Association pursuant to this subsection shall to the same extent as securities which are direct obligations of or obligations guaranteed as to principal or interest by the United States be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission. The amounts of any mortgages and their obligations acquired by the Association under section 306, pursuant to this subsection, shall not be included in the total amounts set forth in section 306(c).

(2) Subject to the limitations provided in paragraph (4) of this subsection, one or more trusts may be established as provided in this subsection by each of the following departments or agencies:

(A) The Farmers Home Administration of the Department of Agriculture, but only with respect to operating loans, direct farm ownership loans, direct housing loans, and direct soil and water loans. Such trusts may not be established with respect to loans for housing for the elderly under sections 502 and 515(a) of the Housing Act of 1949, nor with respect to loans for nonfarm recreational development.

(B) The Department of Education, but only with respect to loans made by the Secretary of Education for construction of academic facilities,

and loans to help finance student loan programs.

(C) The Department of Housing and Urban Development.

(D) The Department of Veterans Affairs.

(E) The Export-Import Bank.

(F) The Small Business Administration.

The head of each such department or agency, hereinafter in this subsection called the “trustor”, is authorized to set aside a part or all of any obligations held by the trustor and subject them to a trust or trusts and, incident thereto, shall guarantee to the trustee timely payment thereof. The trust instrument may provide for the issuance and sale of beneficial interests or participations, by the trustee, in such obligations or in the right to receive interest and principal collections therefrom; and may provide for the substitution or withdrawal of such obligations, or for the substitution of cash for obligations. The trust or trusts shall be exempt from all taxation. The trust instrument may also contain other appropriate provisions in keeping with the purposes of this subsection. The Association shall be named and shall act as trustee of any such trusts and, for the purposes thereof, the title to such obligations shall be deemed to have passed to the Association in trust. The trust instrument shall provide that custody, control, and administration of the obligations shall remain in the trustor subjecting the obligations to the trust, subject to transfer to the trustee in event of default or probable default, as determined by the trustee, in the payment of principal and interest of the beneficial interests or participations. Collections from obligations subject to the trust shall be dealt with as provided in the instrument creating the trust. The trust instrument shall provide that the trustee will promptly pay to the trustor the full net proceeds of any sale of beneficial interests or participations to the extent they are based upon such obligations or collections. Such proceeds shall be dealt with as otherwise provided by law for sales or repayment of such obligations. The effect of both past and future sales of any issue of beneficial interests or participations shall be the same, to the extent of the principal of such issue, as the direct sale with recourse of the obligations subject to the trust. Any trustor creating a trust or trusts hereunder is authorized to purchase, through the facilities of the trustee, outstanding beneficial interests or participations to the extent of the amount of the trustor’s responsibility to the trustee on beneficial interests or participations outstanding, and to pay the trustor’s proper share of the costs and expenses incurred by the Association as trustee pursuant to the trust instrument.

(3) When any trustor guarantees to the trustee the timely payment of obligations the trustor subjects to a trust pursuant to this subsection, and it becomes necessary for such trustor to meet his responsibilities under such

guaranty, the trustor is authorized to fulfill such guaranty.

(4) Beneficial interests or participations shall not be issued for the account of any trustor in an aggregate principal amount greater than is authorized with respect to such trustor in an appropriation Act. Any such authorization shall remain available only for the fiscal year for which it is granted and for the succeeding fiscal year.

(5) The Association, as trustee, is authorized to issue and sell beneficial interests or participations under this subsection, notwithstanding that there may be an insufficiency in aggregate receipts from obligations subject to the related trust to provide for the payment by the trustee (on a timely basis out of current receipts or otherwise) of all interest or principal on such interests or participations (after provision for all costs and expenses incurred by the trustee, fairly prorated among trustors). There are authorized to be appropriated without fiscal year limitation such sums as may be necessary to enable any trustor to pay the trustee such insufficiency as the trustee may require on account of outstanding beneficial interests or participations authorized to be issued pursuant to paragraph (4) of this subsection. Such trustor shall make timely payments to the trustee from such appropriations, subject to and in accord with the trust instrument. In the event that the insufficiency required by the trustee is on account of principal maturities of outstanding beneficial interests or participations authorized to be issued pursuant to paragraph (4) of this subsection, or pursuant hereto, the trustee is authorized to elect to issue additional beneficial interests or participations for refinancing purposes in lieu of requiring any trustor or trustors to make payments to the trustee from appropriated funds or other sources. Each such issue of beneficial interests or participations shall be in an amount determined by the trustee but not in excess of the aggregate amount which the trustee would otherwise require the trustor or trustors to pay from appropriated funds or other sources, and may be issued without regard to the provisions of paragraph (4) of this subsection. All refinancing issues of beneficial interests or participations shall be deemed to have been issued pursuant to the authority contained in the appropriation Act or Acts under which the beneficial interests or participations were originally issued.

SEC. 303. CAPITALIZATION OF FEDERAL NATIONAL MORTGAGE ASSOCIATION *12 U.S.C. 1718*

(a) COMMON STOCK; PREFERRED STOCK; TRANSFERABILITY OF SHARES.—The corporation shall have common stock, without par value, which shall be vested with all voting rights, each share being entitled to one vote with rights of cumulative voting at all elections of directors. The corporation may eliminate such rights of cumulative voting by a resolution adopted by its board of directors and approved by the holders of a majority of the shares of common stock voting in person or by proxy at the annual meeting, or other special meeting, at which such resolution is considered. The corporation may

have preferred stock on such terms and conditions as the board of directors shall prescribe. The free transferability of the stock at all times to any person, firm, corporation, or other entity shall not be restricted except that, as to the corporation, it shall be transferable only on the books of the corporation. The corporation may issue shares of common stock in return for appropriate payments into capital or capital and surplus.

(b) FEES AND CHARGES; ANNUAL TRANSFER OF EARNINGS TO GENERAL SURPLUS ACCOUNT.—

(1) The corporation may impose charges or fees, which may be regarded as elements of pricing, with the objective that all costs and expenses of the operations of the corporation should be within its income derived from such operations and that such operations should be fully self-supporting.

(2) All earnings from the operations of the corporation shall annually be transferred to the general surplus account of the corporation. At any time, funds of the general surplus account may, in the discretion of the board of directors, be transferred to reserves.

(c) CAPITAL DISTRIBUTIONS FROM GENERAL SURPLUS ACCOUNT; MINIMUM CAPITALIZATION LEVELS.—

(1) Except as provided in paragraph (2), the corporation may make such capital distributions (as such term is defined in section 1303 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992) as may be declared by the board of directors. All capital distributions shall be charged against the general surplus account of the corporation.

(2) The corporation may not make any capital distribution that would decrease the total capital of the corporation (as such term is defined in section 1303 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992) to an amount less than the risk-based capital level for the corporation established under section 1361 of such Act or that would decrease the core capital of the corporation (as such term is defined in section 1303 of such Act) to an amount less than the minimum capital level for the corporation established under section 1362 of such Act, without prior written approval of the distribution by the Director of the Federal Housing Finance Agency.

(d) INSTITUTIONS ELIGIBLE TO PURCHASE STOCK.—Notwithstanding any other provision of law, any institution, including a national bank or State member bank of the Federal Reserve System or any member of the Federal Deposit Insurance Corporation, trust company or other banking organization, organized under any law of the United States, including the laws relating to the

District of Columbia, shall be authorized to purchase shares of common stock of the corporation, and to hold or dispose of such stock, subject to the provisions of this title.

SEC. 304. SECONDARY MARKET OPERATIONS

12 U.S.C. 1719

(a) PURCHASE AND SALE OF MORTGAGES; SECONDARY MARKET OPERATIONS; ADVANCE OF FUNDS OR ORIGINATION OF LOANS; SETTLEMENT OR EXTINGUISHMENT OF BORROWERS RIGHTS.—

(1) To carry out the purposes set forth in paragraph (a) of section 301, the operations of the corporation under this section shall be confined so far as practicable, to mortgages which are deemed by the corporation to be of such quality, type, and class as to meet, generally, the purchase standards imposed by private institutional mortgage investors. In the interest of assuring sound operation, the prices to be paid by the corporation for mortgages purchased in its secondary market operations under this section, should be established, from time to time, within the range of market prices for the particular class of mortgages involved, as determined by the corporation. The volume of the corporation's purchases and sales, and the establishment of the purchase prices, sale prices, and charges or fees, in its secondary market operations under this section, should be determined by the corporation from time to time, and such determinations should be consistent with the objectives that such purchases and sales should be effected only at such prices and on such terms as will reasonably prevent excessive use of the corporation's facilities, and that the operations of the corporation under this section should be within its income derived from such operations and that such operations should be fully self supporting. Nothing in this title shall prohibit the corporation from purchasing, and making commitments to purchase, any mortgage with respect to which the Secretary of Housing and Urban Development has entered into a contract with the corporation to make interest subsidy payments under section 243 of the National Housing Act.

(2) The volume of the corporation's lending activities and the establishment of its loan ratios, interest rates, maturities, and charges or fees, in its secondary market operations under this section, should be determined by the corporation from time to time; and such determinations, in conjunction with determinations made under paragraph (1), should be consistent with the objectives that the lending activities should be conducted on such terms as will reasonably prevent excessive use of the corporation's facilities, and that the operations of the corporation under this section should be within its income derived from such operations and that such operations should be fully self-supporting. The corporation shall not be permitted to use its lending authority (A) to advance funds to a mortgage seller on an interim basis, using mortgage loans as collateral, pending the sale of the mortgages in the secondary market; or (B) to originate mortgage loans. Notwithstand-

ing any Federal, State, or other law to the contrary, the corporation is empowered, in connection with any loan under this section, whether before or after any default, to provide by contract with the borrower for the settlement or extinguishment, upon default, of any redemption, equitable, legal, or other right, title, or interest of the borrower in any mortgage or mortgages that constitute the security for the loan; and with respect to any such loan, in the event of default and pursuant otherwise to the terms of the contract, the mortgages that constitute such security shall become the absolute property of the corporation.

(b) OBLIGATIONS OF THE CORPORATION.—For the purposes of this section, the corporation is authorized to issue, upon the approval of the Secretary of the Treasury, and have outstanding at any one time obligations having such maturities and bearing such rate or rates of interest as may be determined by the corporation with the approval of the Secretary of the Treasury, to be redeemable at the option of the corporation before maturity in such manner as may be stipulated in such obligations. The corporation shall insert appropriate language in all of its obligations issued under this subsection clearly indicating that such obligations, together with the interest thereon, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than the corporation. The corporation is authorized to purchase in the open market any of its obligations outstanding under this subsection at any time and at any price.

(c) PURCHASE OF OBLIGATIONS BY TREASURY; CONDITIONS AND RESTRICTIONS.—The Secretary of the Treasury is authorized in the Secretary's discretion to purchase any obligations issued pursuant to subsection (b) of this section, as now or hereafter in force, and for such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities hereafter issued under chapter 31 of title 31, United States Code, and the purposes for which securities may be issued under chapter 31 of title 31, United States Code, are extended to include such purchases. The Secretary of the Treasury shall not at any time purchase any obligations under this subsection if such purchase would increase the aggregate principal amount of the Secretary's then outstanding holdings of such obligations under this subsection to an amount greater than \$2,250,000,000. Each purchase of obligations by the Secretary of the Treasury under this subsection shall be upon such terms and conditions as to yield a return at a rate determined by the Secretary of the Treasury, taking into consideration the current average rate on outstanding marketable obligations of the United States as of the last day of the month preceding the making of such purchase. The Secretary of the Treasury may, at any time, sell, upon such terms and conditions and at such price or prices as the Secretary shall determine, any of the obligations acquired by the Secretary under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such obligations under this subsection shall be treated as public debt transactions of the United States.

(d) MORTGAGE-BACKED SECURITIES; ISSUANCE; MATURITIES; RATES OF INTEREST; EXEMPT SECURITIES; ADEQUACY OF MORTGAGES TO PERMIT PRINCIPAL AND INTEREST PAYMENTS; STATEMENT IN SECURITIES.—To provide a greater degree of liquidity to the mortgage investment market and an additional means of financing its operations under this section, the corporation is authorized to set aside any mortgages held by it under this section, and, upon approval of the Secretary of the Treasury, to issue and sell securities based upon the mortgages so set aside. Securities issued under this subsection may be in the form of debt obligations or trust certificates of beneficial interest, or both. Securities issued under this subsection shall have such maturities and bear such rate or rates of interest as may be determined by the corporation with the approval of the Secretary of the Treasury. Securities issued by the corporation under this subsection shall, to the same extent as securities which are direct obligations of or obligations guaranteed as to principal and interest by the United States, be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission. Mortgages set aside pursuant to this subsection shall at all times be adequate to enable the corporation to make timely principal and interest payments on the securities issued and sold pursuant to this subsection. The corporation shall insert appropriate language in all of the securities issued under this subsection clearly indicating that such securities, together with the interest thereon, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than the corporation.

(e) SUBORDINATED OR CONVERTIBLE OBLIGATIONS; ISSUANCE; MATURITIES; RATE OF INTEREST; REDEMPTION; EXEMPT SECURITIES; DEBT OR OBLIGATION OF UNITED STATES; PURCHASES IN OPEN MARKET.—For the purposes of this section, the corporation is authorized to issue, upon the approval of the Secretary of the Treasury, obligations which are subordinated to any or all other obligations of the corporation, including subsequent obligations. The obligations issued under this subsection shall have such maturities and bear such rate or rates of interest as may be determined by the corporation with the approval of the Secretary of the Treasury and may be made redeemable at the option of the corporation before maturity in such manner as may be stipulated in such obligations. Any of such obligations may be made convertible into shares of common stock in such manner, at such price or prices, and at such time or times as may be stipulated therein. Obligations issued by the corporation under this subsection shall, to the same extent as securities which are direct obligations of or obligations guaranteed as to principal or interest by the United States, be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission. The corporation shall insert appropriate language in all of its obligations issued under this subsection clearly indicating that such obligations, together with the interest thereon, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or of any agency or instrumentality thereof other than the corporation. The corporation is authorized to purchase in the open market any of its obligations outstanding under this subsection at any time and at any price.

(f) PROHIBITION ON ASSESSMENT OR COLLECTION OF FEE OR CHARGE BY UNITED STATES.—Except for fees paid pursuant to section 309(g) of this Act and assessments pursuant to section 1316 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992, no fee or charge may be assessed or collected by the United States (including any executive department, agency, or independent establishment of the United States) on or with regard to the purchase, acquisition, sale, pledge, issuance, guarantee, or redemption of any mortgage, asset, obligation, trust certificate of

beneficial interest, or other security by the corporation. No provision of this subsection shall affect the purchase of any obligation by the Secretary of the Treasury pursuant to subsection (c) of this section.

(g) TEMPORARY AUTHORITY OF TREASURY TO PURCHASE OBLIGATIONS AND SECURITIES; CONDITIONS.—

(1) AUTHORITY TO PURCHASE.—

(A) GENERAL AUTHORITY.—In addition to the authority under subsection (c) of this section, the Secretary of the Treasury is authorized to purchase any obligations and other securities issued by the corporation under any section of this Act, on such terms and conditions as the Secretary may determine and in such amounts as the Secretary may determine. Nothing in this subsection requires the corporation to issue obligations or securities to the Secretary without mutual agreement between the Secretary and the corporation. Nothing in this subsection permits or authorizes the Secretary, without the agreement of the corporation, to engage in open market purchases of the common securities of the corporation.

(B) EMERGENCY DETERMINATION REQUIRED.—In connection with any use of this authority, the Secretary must determine that such actions are necessary to—

- (i) provide stability to the financial markets;
- (ii) prevent disruptions in the availability of mortgage finance; and
- (iii) protect the taxpayer.

(C) CONSIDERATIONS.—To protect the taxpayers, the Secretary of the Treasury shall take into consideration the following in connection with exercising the authority contained in this paragraph:

- (i) The need for preferences or priorities regarding payments to the Government.
- (ii) Limits on maturity or disposition of obligations or securities to be purchased.
- (iii) The corporation's plan for the orderly resumption of private market funding or capital market access.
- (iv) The probability of the corporation fulfilling the terms of any such obligation or other security, including repayment.
- (v) The need to maintain the corporation's status as a private shareholder-owned company.
- (vi) Restrictions on the use of corporation resources, including

limitations on the payment of dividends and executive compensation and any such other terms and conditions as appropriate for those purposes.

SEC. 305. SPECIAL ASSISTANCE FUNCTIONS OF GOVERNMENT NATIONAL MORTGAGE ASSOCIATION *12 U.S.C. 1720*

Repealed.

SEC. 306. MANAGEMENT AND LIQUIDATION FUNCTIONS OF GOVERNMENT NATIONAL MORTGAGE ASSOCIATION *12 U.S.C. 1721*

(a) SEPARATE ACCOUNTABILITY OF ASSETS AND LIABILITIES.—To carry out the purposes set forth in paragraph (c) of section 301, the Association is authorized and directed, as of the close of the cutoff date determined by the Association pursuant to section 303(d), to establish separate accountability for all of its assets and liabilities (exclusive of capital, surplus, surplus reserves, and undistributed earnings to be evidenced by preferred stock as provided in section 303(d), but inclusive of all rights and obligations under any outstanding contracts), and to maintain such separate accountability for the management and orderly liquidation of such assets and liabilities as provided in this section.

(b) ISSUANCE OF OBLIGATIONS TO EXPEDITE SUBSTITUTION OF PRIVATE FINANCING.—For the purposes of this section and to assure that, to the maximum extent, and as rapidly as possible, private financing will be substituted for Treasury borrowings otherwise required to carry mortgages held under the aforesaid separate accountability, the Association is authorized to issue, upon the approval of the Secretary of the Treasury, and have outstanding at any one time obligations having such maturities and bearing such rate or rates of interest as may be determined by the Association with the approval of the Secretary of the Treasury, to be redeemable at the option of the Association before maturity in such manner as may be stipulated in such obligations; but in no event shall any such obligations be issued if, at the time of such proposed issuance, and as a consequence thereof, the resulting aggregate amount of its outstanding obligations under this subsection would exceed the amount of the Association's ownership under the aforesaid separate accountability, free from any liens or encumbrances, of cash, mortgages, and obligations of the United States or guaranteed thereby, or obligations, participations, or other instruments which are lawful investments for fiduciary, trust or public funds. The proceeds of any private financing effected under this subsection shall be paid to the Secretary of the Treasury in reduction of the indebtedness of the Association to the Secretary of the Treasury under the aforesaid separate accountability. The Association shall insert appropriate language in all of its obligations issued under this subsection clearly indicating that such obligations, together with the interest thereon, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or of any agency or instrumentality thereof other than the Association. The Association is authorized to purchase in

the open market any of its obligations outstanding under this subsection at any time and at any price.

(c) CUTOFF DATE AS CONTROLLING PURCHASES; TOTAL AMOUNT OF MORTGAGES AND COMMITMENTS.—No mortgage shall be purchased by the Association in its operations under this section except pursuant to and in accordance with the terms of a contract or commitment to purchase the same made prior to the cutoff date provided for in section 303(d), which contract or commitment became a part of the aforesaid separate accountability, and the total amount of mortgages and commitments held by the Association under this section shall not, in any event, exceed \$3,350,000,000: *Provided*, That such maximum amount shall be progressively reduced by the amount of cash realizations on account of principal of mortgages held under the aforesaid separate accountability and by cancellation of any commitments to purchase mortgages thereunder, as reflected by the books of the Association, with the objective that the entire aforesaid maximum amount shall be eliminated with the orderly liquidation of all mortgages held under the aforesaid separate accountability: *And provided further*, That nothing in this subsection shall preclude the Association from granting such usual and customary increases in the amounts of outstanding commitments (resulting from increased costs or otherwise) as have theretofore been covered by like increases in commitments granted by the agencies of the Federal Government insuring or guaranteeing the mortgages. There shall be excluded from the total amounts set forth in this subsection the amounts of any mortgages which, subsequent to May 31, 1954, are transferred by law to the Association and held under the aforesaid separate accountability.

(d) ISSUANCE OF OBLIGATIONS SUFFICIENT TO CARRY OUT FUNCTIONS; CHARACTER; PURCHASE.—The Association may issue to the Secretary of the Treasury its obligations in an amount outstanding at any one time sufficient to enable the Association to carry out its functions under this section, such obligations to mature not more than five years from their respective dates of issue, to be redeemable at the option of the Association before maturity in such manner as may be stipulated in such obligations. Each such obligation shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average rate on outstanding marketable obligations of the United States as of the last day of the month preceding the issuance of the obligation of the Association. The Secretary of the Treasury is authorized to purchase any obligations of the Association to be issued under this section, and for such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, United States Code, and the purposes for which securities may be issued under chapter 31 of title 31, United States Code, are extended to include any purchases of the Association's obligations hereunder.

(e) ACQUISITION OF MORTGAGES OFFERED BY SECRETARY OF

HOUSING AND URBAN DEVELOPMENT.—Notwithstanding any other provision of law, the Association is authorized, under the aforesaid separate accountability, to make commitments to purchase, and to purchase, service, or sell any obligations offered to it by the Secretary of Housing and Urban Development, or any mortgages covering residential property offered to it by any Federal instrumentality, or the head thereof. There shall be excluded from the total amounts set forth in subsection (c) the amounts of any obligations or mortgages purchased by the Association pursuant to this subsection.

(f) TRANSFER OF FUNDS.—Notwithstanding any of the provisions of this Act or of any other law, an amount equal to the net decrease for the preceding fiscal year in the aggregate principal amount of all mortgages owned by the Association under this section shall, as of July 1 of each of the years 1961 through 1964, be transferred to and merged with the authority provided under section 305(a), and the amount of such authority as specified in section 305(c) shall be increased by any amounts so transferred.

(g) GUARANTEE OF PRINCIPAL AND INTEREST ON TRUST CERTIFICATES AND OTHER SECURITIES; FEES AND CHARGES; SUBROGATION; CONTRACT FOR EXTINGUISHMENT OF RIGHT, TITLE, OR INTEREST IN MORTGAGES; PROTECTION OF INTERESTS; FULL FAITH AND CREDIT; COMMITMENTS LIMITED; LIMITATION ON FEES OR CHARGES.

(1) The Association is authorized, upon such terms and conditions as it may deem appropriate, to guarantee the timely payment of principal of and interest on such trust certificates or other securities as shall (i) be issued by the corporation under section 304(d), or by any other issuer approved for the purposes of this subsection by the Association, and (ii) be based on and backed by a trust or pool composed of mortgages which are insured under the National Housing Act, or which are insured or guaranteed under the Servicemen's Readjustment Act of 1944, title V of the Housing Act of 1949, or chapter 37 of title 38, United States Code, or which are guaranteed under title XIII of the Public Health Service Act; or guaranteed under section 184 of the Housing and Community Development Act of 1992. The Association shall collect from the issuer a reasonable fee for any guaranty under this subsection and shall make such charges as it may determine to be reasonable for the analysis of any trust or other security arrangement proposed by the issuer. In the event the issuer is unable to make any payment of principal of or interest on any security guaranteed under this subsection, the Association shall make such payment as and when due in cash, and thereupon shall be subrogated fully to the rights satisfied by such payment. In any case in which (I) Federal law requires the reduction of the interest rate on any mortgage backing a security guaranteed under this subsection, (II) the mortgagor under the mortgage is a person in the military service, and (III) the issuer of such security fails to receive from the mortgagor the full amount of interest payment due, the Association may

make payments of interest on the security in amounts not exceeding the difference between the amount payable under the interest rate on the mortgage and the amount of interest actually paid by the mortgagor. The Association is hereby empowered, in connection with any guaranty under this subsection, whether before or after any default, to provide by contract with the issuer for the extinguishment, upon default by the issuer, of any redemption, equitable, legal, or other right, title, or interest of the issuer in any mortgage or mortgages constituting the trust or pool against which the guaranteed securities are issued; and with respect to any issue of guaranteed securities, in the event of default and pursuant otherwise to the terms of the contract, the mortgages that constitute such trust or pool shall become the absolute property of the Association subject only to the unsatisfied rights of the holders of the securities based on and backed by such trust or pool. No State or local law, and no Federal law (except Federal law enacted expressly in limitation of this subsection after the effective date of this sentence), shall preclude or limit the exercise by the Association of (A) its power to contract with the issuer on the terms stated in the preceding sentence, (B) its rights to enforce any such contract with the issuer, or (C) its ownership rights, as provided in the preceding sentence, in the mortgages constituting the trust or pool against which the guaranteed securities are issued. The full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty under this subsection. There shall be excluded from the total amounts set forth in subsection (c) the amounts of any mortgages acquired by the Association as a result of its operations under this subsection.

(2) Notwithstanding any other provision of law and subject only to the absence of qualified requests for guarantees, to the authority provided in this subsection, and to the extent of or in such amounts as any funding limitation approved in appropriation Acts, the Association shall enter into commitments to issue guarantees under this subsection in an aggregate amount of \$110,000,000,000 during fiscal year 1996. There are authorized to be appropriated to cover the costs (as such term is defined in section 502 of the Congressional Budget Act of 1974) of guarantees issued under this Act by the Association such sums as may be necessary for fiscal year 1996.

(3)(A) No fee or charge in excess of 6 basis points may be assessed or collected by the United States (including any executive department, agency, or independent establishment of the United States) on or with regard to any guaranty of the timely payment of principal or interest on securities or notes based on or backed by mortgages that are secured by 1- to 4-family dwellings and (i) insured by the Federal Housing Administration under title II of the National Housing Act; or (ii) insured or guaranteed under the Serviceman's Readjustment Act of 1944, chapter 37 of title 38, United States Code, or title V of the Housing Act of 1949.

(B) The fees charged for the guaranty of securities or on notes based on

or backed by mortgages not referred to in subparagraph (A), as authorized by other provisions of law, shall be set by the Association at a level not more than necessary to create reserves sufficient to meet anticipated claims based upon actuarial analysis, and for no other purpose.

(C) Fees or charges for the issuance of commitments or miscellaneous administrative fees of the Association shall not be on a competitive auction basis and shall remain at the level set for such fees or charges as of September 1, 1985, except that such fees or charges may be increased if reasonably related to the cost of administering the program, and for no other purpose.

(D) Not less than 90 days before increasing any fee or charge under subparagraph (B) or (C), the Secretary shall submit to the Congress a certification that such increase is solely for the purpose specified in such subparagraph.

(E)(i) Notwithstanding subparagraphs (A) through (D), fees charged for the guarantee of, or commitment to guarantee, multiclass securities backed by a trust or pool of securities or notes guaranteed by the Association under this subsection, and other related fees shall be charged by the Association in an amount the Association deems appropriate. The Association shall take such action as may be necessary to reasonably assure that such portion of the benefit, resulting from the Association's multiclass securities program, as the Association determines is appropriate accrues to mortgagors who execute eligible mortgages after the date of the enactment of this subparagraph [August 10, 1993].

(ii) The Association shall provide for the initial implementation of the program for which fees are charged under the first sentence of clause (i) by notice published in the Federal Register. The notice shall be effective upon publication and shall provide an opportunity for public comment. Not later than 12 months after publication of the notice, the Association shall issue regulations for such program based on the notice, comments received, and the experience of the Association in carrying out the program during such period.

(iii) The Association shall consult with persons or entities in such manner as the Association deems appropriate to ensure the efficient commencement and operation of the multiclass securities program.

(iv) No State or local law, and no Federal law (except Federal law enacted expressly in limitation of this clause after the effective date of this subparagraph [August 10, 1993]) shall preclude or limit the exercise by the Association of its power to contract with persons or

entities, and its rights to enforce such contracts, for the purpose of ensuring the efficient commencement and continued operation of the multiclass securities program.

(1) The Association, including its franchise, capital, reserves, surplus, mortgages or other security holdings, and income shall be exempt from all taxation now or hereafter imposed by the United States, by any territory, dependency, or possession thereof, or by any State, county, municipality, or local taxing authority, except that any real property of the Association shall be subject to State, territorial, county, municipal, or local taxation to the same extent according to its value as other real property is taxed.

Appointments, promotions, and separations so made shall be based on merit and efficiency, and no political tests or qualifications shall be permitted or given consideration. Each officer and employee of the corporation who is employed by the corporation prior to January 31, 1972, and who on the day previous to the beginning of such employment will have been subject to the civil service retirement law (subch. For purposes of this subparagraph, any renegotiation, amendment, or change after such date of enactment, to any such agreement or contract entered into on or before such date of enactment, shall be considered entering into an agreement or contract.

(4) Notwithstanding any other provision of this section, the corporation shall not transfer, disburse, or pay compensation to any executive officer, or enter into an agreement with such executive officer, without the approval of the Director, for matters being reviewed under section 1318 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (12 U.S.C. 4518).

Violations of the foregoing sentence may be enjoined by any court of general jurisdiction at the suit of the proper body corporate. In any such suit, the plaintiff may recover any actual damages flowing from such violation, and, in addition, shall be entitled to punitive damages (regardless of the existence or nonexistence of actual damages) of not exceeding \$100 for each day during which such violation is committed or repeated.

(f) PREPARATION OF FORMS OF OBLIGATIONS AND CERTIFICATES.—In order that the Association may be supplied with such forms of obligations or certificates as it may need for issuance under this title, the Secretary of the Treasury is authorized, upon request of the Association, to prepare such forms as shall be suitable and approved by the Association, to be held in the Treasury subject to delivery, upon order of the Association. The engraved plates, dies, bed pieces, and other material executed in connection therewith shall remain in the custody of the Secretary of the Treasury. The Association shall reimburse the Secretary of the Treasury for any expenses incurred in the preparation, custody, and delivery of such forms.

(g) DEPOSITARIES, CUSTODIANS, AND FISCAL AGENTS.—The Federal Reserve banks are authorized and directed to act as depositaries, custodians, and fiscal agents for each of the bodies corporate named in section 302(a)(2), for its own account or as fiduciary, and such banks shall be reimbursed for such services in such manner as may be agreed upon; and each of such bodies corporate may itself act in such capacities, for its own account or as fiduciary, and for the account of others.

(h) Repealed.

(i) Repealed.

The representatives of the Government Accountability Office shall have access to such books, accounts, financial records, reports, files, and such other papers, things, or property belonging to or in use by the corporation and necessary to facilitate the audit, and they shall be afforded full facilities for verifying transactions

with the balances or securities held by depositories, fiscal agents, and custodians. A report on each such audit shall be made by the Comptroller General to the Congress. The corporation shall reimburse the Government Accountability Office for the full cost of any such audit as billed therefor by the Comptroller General.

(2) To carry out this subsection, the representatives of the Government Accountability Office shall have access, upon request to the corporation or any auditor for an audit of the corporation under subsection (1), to any books, accounts, financial records, reports, files, or other papers, things, or property belonging to or in use by the corporation and used in any such audit and to any papers, records, files and reports of the auditor used in such an audit.

SEC. 317. CIVIL MONEY PENALTIES AGAINST ISSUERS

12 U.S.C. 1723i

(a) IN GENERAL.—

(1) AUTHORITY.—Whenever an issuer or custodian approved under section 306(g) knowingly and materially violates any provisions of subsection (b), the Secretary of Housing and Urban Development may impose a civil money penalty on the issuer or the custodian in accordance with the provisions of this section. The penalty shall be in addition to any other available civil remedy or any available criminal penalty and may be imposed whether or not the Secretary imposes other administrative sanctions.

(2) AMOUNT OF PENALTY.—The amount of the penalty, as determined by the Secretary, may not exceed \$5,000 for each violation, except that the maximum penalty for all violations by a particular issuer or custodian during any one-year period shall not exceed \$1,000,000. Each violation of a provision of subsection (b)(1) shall constitute a separate violation with respect to each pool of mortgages. In the case of a continuing violation, as determined by the Secretary, each day shall constitute a separate violation.

(b) VIOLATIONS FOR WHICH A PENALTY MAY BE IMPOSED.—

(1) VIOLATIONS.—The violations by an issuer or a custodian for which the Secretary may impose a civil money penalty under subsection (a) are the following:

(A) Failure to make timely payments of principal and interest to holders of securities guaranteed under section 306(g).

(B) Failure to segregate cash flow from pooled mortgages or to deposit either principal and interest funds or escrow funds into special accounts with a depository institution whose accounts are insured by the National Credit Union Administration or by the Federal Deposit Insurance Corporation through the Deposit Insurance Fund.

(C) Use of escrow funds for any purpose other than that for which they were received.

(D) Transfer of servicing for a pool of mortgages to an issuer not approved under this title, unless expressly permitted by statute, regulation, or contract approved by the Secretary.

(E) Failure to maintain a minimum net worth in accordance with requirements prescribed by the Association.

(F) Failure to promptly notify the Association in writing of any changes that materially affect the business status of an issuer.

(G) Submission to the Association of false information in connection with any securities guaranteed, or mortgages pooled, under section 306(g).

(H) Hiring, or retaining in employment, an officer, director, principal, or employee whose duties involve, directly or indirectly, programs administered by the Association while such person was under suspension or debarment by the Secretary.

(I) Submission to the Association of a false certification either on its own behalf or on behalf of another person or entity.

(J) Failure to comply with an agreement, certification, or condition of approval set forth on, or applicable to, the application for approval as an issuer of securities under section 306(g).

(K) Violation of any provisions of this title or any implementing regulation, handbook, or participant letter issued under authority of this title.

(2) NOTIFICATION TO ATTORNEY GENERAL.—Before taking action to impose a civil money penalty for a violation under paragraph (1)(G) or paragraph (1)(I), the Secretary shall inform the Attorney General of the United States.

(c) AGENCY PROCEDURES.—

(1) ESTABLISHMENT.—The Secretary shall establish standards and procedures governing the imposition of civil money penalties under subsection (a). The standards and procedures—

(A) shall provide for the Secretary to make the determination to impose the penalty;

(B) shall provide for the imposition of a penalty only after an issuer or a custodian has been given notice of, and opportunity for, a hearing on the record; and

(C) may provide for review by the Secretary of any determination or order, or interlocutory ruling, arising from a hearing.

(2) FINAL ORDERS.—If no hearing is requested within 15 days of receipt of a notice of opportunity for hearing, the imposition of a penalty shall constitute a final and unappealable determination. If the Secretary reviews the determination or order, the Secretary may affirm, modify, or reverse that determination or order. If the Secretary does not review the determination or order within 90 days of the issuance of the determination or order, the determination or order shall be final.

(3) FACTORS IN DETERMINING AMOUNT OF PENALTY.—In determining the amount of a penalty under subsection (a), consideration shall be given to such factors as the gravity of the offense, any history of prior offenses (including offenses occurring before enactment of this section), ability to pay the penalty, injury to the public, benefits received, deterrence of future violations, and such other factors as the Secretary may determine by regulations.

(4) REVIEWABILITY OF IMPOSITION OF PENALTY.—The Secretary's determination or order imposing a penalty under subsection (a) shall not be subject to review, except as provided in subsection (d).

(d) JUDICIAL REVIEW OF AGENCY DETERMINATION.—

(1) IN GENERAL.—After exhausting all administrative remedies established by the Secretary under subsection (c)(1), an issuer or a custodian against which the Secretary has imposed a civil money penalty under subsection (a) may obtain a review of the penalty and such ancillary issues as may be addressed in the notice provided under subsection (c)(1)(A) in the appropriate court of appeals of the United States, by filing in such court, within 20 days after the entry of such order or determination, a written petition praying that the Secretary's order or determination be modified or be set aside in whole or in part.

(2) OBJECTIONS NOT RAISED IN HEARING.—A court shall not consider any objection that was not raised in the hearing conducted pursuant to subsection (c)(1) unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection. If any party demonstrates to the satisfaction of the court that additional evidence, which was not presented at such hearing, is material and that there were reasonable grounds for the failure to present such evidence at the hearing, the court shall remand the matter to the Secretary for consideration of such additional evidence.

(3) SCOPE OF REVIEW.—The decisions, findings, and determinations of the Secretary shall be reviewed pursuant to section 706 of title 5, United States Code.

(4) ORDER TO PAY PENALTY.—Notwithstanding any other provision of law, the court shall have the power in any such review to order payment of the penalty imposed by the Secretary.

(e) ACTION TO COLLECT PENALTY.—If any issuer or custodian fails to comply with the Secretary’s determination or order imposing a civil money penalty under subsection (a), after the determination or order is no longer subject to review as provided by subsections (c)(1) and (d), the Secretary may request the Attorney General of the United States to bring an action in an appropriate United States district court to obtain a monetary judgment against the issuer or custodian and such other relief as may be available. The monetary judgment may, in the discretion of the court, include any attorneys fees and other expenses incurred by the United States in connection with the action. In an action under this subsection, the validity and appropriateness of the Secretary’s determination or order imposing the penalty shall not be subject to review.

(f) SETTLEMENT BY SECRETARY.—The Secretary may compromise, modify, or remit any civil money penalty which may be, or has been, imposed under this section.

(g) “KNOWINGLY” DEFINED.—The term “knowingly” means having actual knowledge of or acting with deliberate ignorance of or reckless disregard for the prohibitions under this section.

(h) REGULATIONS.—The Secretary shall issue such regulations as the Secretary deems appropriate to implement this section.

(i) DEPOSIT OF PENALTIES.—The Secretary shall deposit all civil money penalties collected under this section into moneys of the Association pursuant to section 307.
